

The Embassy of the Republic of Ghana presents its compliments to the Ministry of Foreign Affairs of the Czech Republic and has the honour to convey an invitation to participate in the 23<sup>rd</sup> Ghana International Trade Fair (23<sup>rd</sup> GITF)", which is being organized by the Ghana Trade Fair Company Limited from 28<sup>th</sup> February, 2019 to 11<sup>th</sup> March, 2019 at the Ghana International Trade Fair Centre, La, Accra.

The Trade Fair, which will be held under the theme: "**Made in Ghana, Globally Accepted**" is anchored in the government's industrial transformation agenda.

This year's theme is found among Government of Ghana's ten agenda;

- Development of small, medium and large scale enterprises
- Industrial sub-contracting exchange
- Enhancing domestic retail infrastructure

These three points are anchored in the "Ghana Made, Globally Accepted" theme which underpins GTFC's desire to enhance government's efforts at making Ghanaian products and services internationally competitive and relevant.

The Expo fair will showcase Ghana's research progress, value addition and the drive in getting products and services to meet international standards and /or specification and also provide the platform for Ghanaians and their foreign counterparts to enhance their business. Several activities have been planned for the fair, including Conferences/Seminars, country Days, B2B sessions.

The trade fair is expected to bring together about six hundred (600) businesses from Ghana and other countries, notably Turkey, Spain, Italy, India, Syria, Pakistan, Egypt, Nigeria, Burkina Faso, Benin and countries from the rest of the world.

It would therefore be appreciated if information about the 23<sup>rd</sup> Ghana International Trade Fair could be disseminated to the relevant institutions and companies in the Czech Republic.
